Fathers – Be All That You Can Be! We Need You!

During the winter of 1993, construction workers at the Baseball Hall of Fame in Cooperstown, New York, made a heartwarming discovery. While remodeling a section of the museum, they found a photograph that someone had stuck in a crevice underneath a display case. The man smiling in the picture had a bat resting on his shoulders; he was wearing a baseball uniform with the words Sinclair Oil emblazoned across the chest. Stapled to the picture was a note, scribbled in pen: *“You were never too tired to play ball. On your days off, you helped build the Little League Field. You always came to watch me play. You were a Hall of Fame Dad. I wish I could share this moment with you. Your Son, Peter”*. A son named Peter had managed to find a way to put his dad in baseball’s Hall of Fame.

Within our families, we experience the heights of joy and the depths of pain. The memories we treasure, the values we learn in our families are the most important and lasting lessons we will ever learn. Our belonging to a family means that each one of us, parent and child, reflects for one another, the selfless, limitless and unconditional love of Christ, both in good times and bad times.

Believe it or not, studies show that the father has more influence with his children when it comes to transmitting religious values than Catholic Schools, Religious Education Programs, and believe it or not, mothers. Thank you fathers, living and dead, for all that you have done and are doing for us.

Remember that Father’s Day is next Sunday. Please bring in your Father’s Day envelopes so that we can put them on our Altar for the Nine Day Novena of Masses.

Eleventh Sunday in Ordinary Time

First Reading: 2 Samuel 12:7-10, 13

Because God was displeased with the actions of David concerning Uriah's death in order to marry Bathsheba, God sent Nathan to reprimand David. Nathan reminds David that God anointed him King of Israel and victor over Saul. David realizes his sin against God, but Nathan continues to reveal to David that the child to be born to him shall die.

Second Reading: Galatians 2:16, 19-21

Paul writes of the struggles between Gentiles and Jews who both now profess belief in Christ Jesus. Paul proclaims his life in Christ, working towards unity and faith in the Son of God.

Gospel: Luke 7:36—8:3

While Jesus was dining at the home of a Pharisee, a woman of the city who was a sinner came and anointed his feet with oil. Weeping, her tears fell upon Jesus' feet and she dried them with her hair. Because of the woman's respect and love, Jesus forgives her sins.

Readings for Next Week
First Reading: Zechariah 12:10-11, 13:1
Second Reading: Galatians 3:26-29
Gospel: Luke 9:18-24

ST. JAMES PRAYER GROUP

The St. James Prayer Group meets every Thursday at 7:30pm in the Chapel of Life. Come join us for an evening of praise and worship through song, a quiet time of scripture reading and sharing how God is working in our lives, followed by intercessory prayer, for the intentions of our Pope Francis and all our clergy, for our parish, our own intentions and for those who have asked us to pray. The Prayer Group is open to all parishioners. Please join us for a peaceful evening away from the busyness of the day to be with Our Lord.

MEN OF ST. JAMES

The "Men of St. James" come together for prayer and discussion to make what the Pope is calling for a reality here at St. James Church. It is also a place to re-ignite the fire that may have grown dim or just to meet other men who are also trying to be faithful Catholic men. We meet on the 2nd and 4th Saturday's at 7:00AM in the Carriage House. Come. "Open the door." They called the church together and reported what God had done with them and how he had opened the door of faith..." (Acts 14:27)

St. James Parenting Group

Parents or grandparents of infants, toddlers and preschool children are welcome to join our spring session. Our goal is to share ideas and grow in our faith as parents and guardians of God's children. All sessions are on Thursday mornings: 9:45 to 11AM in the lower level of Our Lady of the Lake Mount Carmel Church. \$5.00 per family includes coffee, tea, snack, juice, and a craft for the kids. All families are welcome. No prior registration is required. Bring a friend! Call Monica Marsich at 225-9570, or Stephanie Nix at 225-4250 with any questions.

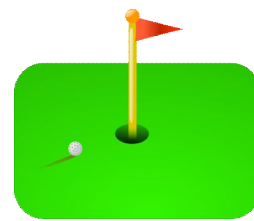

ST. SEBASTIAN'S TERRACE AND COLUMBARIUM

188 purchased - 264 Niches still available

We have celebrated Mass at the Altar of our Terrace and Columbarium many times. There are 89 niches engraved and interred. The price of a niche is \$2,500, which gives you the right to inter the remains of two people. If you have been thinking of purchasing a niche, and would like to schedule an appointment, please contact Mrs. Maureen Larkin at 845-225-2079 on Monday, Tuesday or Wednesday.

For those of you not familiar with a Columbarium, it is a Latin word that describes a collection of niches to house urns containing cremated human remains. Usually inscribed with the person's name and dates of birth and death, columbaria are constructed to serve as permanent resting places for our loved ones in a 'churchyard' or landscaped terrace. May the Lord who has blessed this project now be a final resting place for many of our loved ones.

Types of Skin Cancer

The most common form of skin cancer is **Basal Cell Carcinoma**. Basal cell carcinoma is primarily caused by chronic exposure to sunlight, and it most frequently occurs on exposed parts of the body-the face, neck, ears, scalp, shoulders and back.

Although anyone can get basal cell carcinoma, those with light hair, fair skin, and blue or green eyes are at the highest risk, as well as those who have occupations that require long hours outdoors. Basal cell carcinoma frequently looks like an open sore and usually remains open for three or more weeks. It may also resemble a reddish patch of dry skin that crusts, a shiny bump, a pink growth with elevated borders, or a scar where the skin actually appears lighter in color.

Squamous cell carcinoma is the second most common type of skin cancer. Although squamous cell can appear on any part of the body, it more commonly appears on areas exposed to the sun. It may also occur where skin has suffered certain injuries such as burns, scars, or long-standing sores. Chronic sun exposure is also the culprit behind this type of skin cancer.

Those with fair skin are again most at risk for developing this disease. However, more than 2/3 of the skin cancers in individuals with African descent are squamous cell carcinomas arising out of sites of preexisting inflammatory skin conditions or burn injuries. Squamous cell carcinoma may resemble a wart-like growth that crusts and occasionally bleeds, a persistent scaly red patch with irregular borders that sometimes crusts and bleeds, an open sore that bleeds, crusts and persists for weeks, or an elevated growth with a central depression that occasionally bleeds.
