

ST. JAMES THE APOSTLE AND OUR LADY OF THE LAKE/MOUNT CARMEL IS A ROMAN CATHOLIC PARISH WITH THE EUCHARIST AS THE CENTER OF ITS LIFE. OUR MISSION, AS DISCIPLES OF JESUS CHRIST, IS TO BUILD UP THE KINGDOM OF GOD BY LEADING, NOURISHING AND SERVING THE COMMUNITY IN WORD AND SACRAMENT.

From the Desk of Fr. Matthew MacDonald

Countless Thank You and Abundant Blessings to All

First of all, I would like to thank everyone who made our Forty Hour Devotion during the weekend of June 3rd through June 5th at the Church of Our Lady of the Lake Church such a success: From our deacons, the Altar Rosary Society, the Prayer Group, the Men's Group, the Knights of Columbus, the Little Flowers, the Cursillos, the Polish Community, and all our parishioners. Thank you for your help with the public devotions, the private devotions, the closing mass and procession, and for your prayers.

Secondly, I would like to thank everyone at our parish for their love, support, patience, guidance, prayers, and the way you have called me on over the past two years: From Fr. Sorgie, Msgr. Marchitelli, Msgr. Martin, Fr. Howley, Fr. Szymon, Our Deacons, Secretaries, the Teachers and Students at our School and Religious Education program, our Altar Servers, Pro-Life Group, Men's Group, Knights of Columbus, and so many more parishioners. Know that you will always have a special place in my heart and you will always be in my prayers.

There is a saying that is often used in the Diocesan Priesthood: Home is wherever the bishop sends you. Although I will no longer be at St. James, I still will be in the area. If I can ever assist you with anything, please feel free to drop me a line anytime at my new address:

May you all have a blessed and happy summer and until we see each other again, may God bless you and Our Lady keep you.

TWELFTH SUNDAY IN ORDINARY TIME

First Reading: Zechariah 12:10-11, 13:1 - Zechariah describes the mourning that will occur over Jesus' crucifixion. The people of Jerusalem will mourn him as they would mourn an only son or a fallen king.

Second Reading: Galatians 3:26-29 - Paul reinforces that all those who accept Christ are equal in God's eyes. Man or woman, Jew or Greek, is unimportant in God's eyes if you have true faith in Jesus.

Gospel: Luke 9:18-24 - Jesus asks the disciples who they think he is. They reply that he is the Messiah. Jesus forbids them to tell this to others, and explains that first he must suffer, be put to death, and rise up on the third day. He explains to them that they also must be willing to suffer for his sake if they wish to be saved.

Readings for Next Week

First Reading: 1 Kings 19:16b, 19-21
Second Reading: Galatians 5:1, 13-18
Gospel: Luke 9:51-62

The Prayer Group is open to all parishioners. Please join us for a peaceful evening away from the busyness of the day to be with Our Lord.

MEN OF ST. JAMES

The "Men of St. James" come together for prayer and discussion to make what the Pope is calling for a reality here at St. James Church. It is also a place to re-ignite the fire that may have grown dim or just to meet other men who are also trying to be faithful Catholic men. We meet on the 2nd and 4th Saturday's at 7:00AM in the Carriage House. Come. "Open the door." They called the church together and reported what God had done with them and how he had opened the door of faith..." (Acts 14:27)

ST. SEBASTIAN'S TERRACE AND COLUMBARIUM

188 purchased - 264 Niches still available

We have celebrated Mass at the Altar of our Terrace and Columbarium many times. There are 89 niches engraved and interred. The price of a niche is \$2,500, which gives you the right to inter the remains of two people. If you have been thinking of purchasing a niche, and would like to schedule an appointment, please contact Mrs. Maureen Larkin at 845-225-2079 on Monday, Tuesday or Wednesday.

For those of you not familiar with a Columbarium, it is a Latin word that describes a collection of niches to house urns containing cremated human remains. Usually inscribed with the person's name and dates of birth and death, columbaria are constructed to serve as permanent resting places for our loved ones in a 'churchyard' or landscaped terrace. May the Lord who has blessed this project now be a final resting place for many of our loved ones.

Melanoma is the most serious form of skin cancer. Even so, if diagnosed and removed while it is still thin, it is almost 100% curable. Melanoma is a malignant tumor that starts in the *melanocytes*. These are the cells that produce the pigment melanin and it gives our skin, eyes and hair their color. There are several different types of melanomas-some are "in situ" or "in one site" which means that the tumor is more localized and is therefore more easily treated. Other more invasive forms of melanoma are more difficult to treat. Melanoma most frequently occurs in the trunk, legs, and arms, and in the scalp of men.

The first sign of **Superficial Spreading Melanoma**, the most common type of melanoma, is the appearance of a flat or slightly raised discolored patch with irregular borders. It can be somewhat geometrical in form. The color varies: tan, white, brown, black, red, blue or white. Sometimes you may spot changes in an older mole, or a new mole may develop.

Lentigo Maligna is similar to the superficial spreading melanoma as it also remains close to the skin for quite a while. It also is usually a flat or slightly elevated tan, or brown discoloration. This is however, an invasive form of melanoma.

Acral Lentiginous Melanoma also spreads superficially before it penetrates more deeply. It is different from the previous two types of melanoma in that it usually appears as a black or brown discoloration under the nails, on the soles of the feet or palms of the hands. It is the most common melanoma found in African-Americans and Asians.

Nodular Melanoma is usually invasive by the time it is first diagnosed. The malignancy is recognized when it becomes a bump. The color is most often black, but occasionally is blue, grey, white, brown, tan, or even skin tone. Because skin cancer can take on many of the same characteristics as benign or non-cancerous skin lesions, changes in existing lesions or moles, new lesions, and non-healing wounds should be examined by your physician.
